

prescribedcondition
::inputechoprescribedconditions

```
graph LR; A["prescribedcondition  
::inputechoprescribedconditions"] --> B["globaldatafun::ioerror"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'prescribedcondition' on the first line and '::inputechoprescribedconditions' on the second line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'globaldatafun::ioerror'.

globaldatafun::ioerror
